

THREE LIVES WERE TAKEN in this wreck -- a collision between an automobile and a Wabash passenger train on Christmas evening. The car was such a shambles that wreckers had difficulty in carting away the remnants. The accident occurred on the Francis road crossing of the Wabash, about two miles west of Mokena around 5:40 p.m. Victims of the crash were Mr. and Mrs. Joseph Rowlett, Lockport township, and their 4-year-old granddaughter Treva Beth Paslaski, New Lenox township. San. Dist. Puts Tinley, Orland On Future List

(CNS) -- Big sewer and other construction projects costing 18.5 million dollars are programmed in the Metropolitan Sanitary District's 1960 budget of 61.6 million dollars.

The construction fund will hit its peak next year, topping the previous high of 17.9 millions appropriated in 1959. This fund has climbed steadily since 1955 when the district spent 5.3 million dollars on new sewers and other facilities.

Unless policy set this month is changed, the district will appropriate 12 million dollars a year for construction projects in 1961 through 1964.

District trustees also have dropped plans to place a 50 million dollar bond issue for a flood control program before voters next June.

Frank W. Chesrow, district president, said the bond issue plan will be revived after a new comprehensive flood control survey of the metropolitan area is made.

In line with cutting spending and accomplishing other economies, the district voted a tax reduction of \$1.33 on each \$10,000 of assessed valuation on tax bills going out in 1960.

Chesrow said the tax cut is made possible from interest collected on investment of idle funds during the year, higher collections of delinquent taxes, and saving of interest on bonds paid off in 1959.

The 1960 budget represents a 10 million dollar reduction, or nearly 15 percent below the 1959 budget.

Many of the construction projects in the budget already are under contract.

For the south and southwest suburban areas of the district, the budget appropriates \$2,145,200, most of it for sewer extension projects underway in Markham, Midlothian, Oak Forest, and Oak Village.

There also are appropriations of \$1,000 each to launch a 1.5 million big sewer project for Oak Forest and a \$100,000 program for temporary facilities in Country Club Hills.

Not programmed for 1960 but listed under the heading of "future work" are interceptor sewer extension projects costing \$700,000 south of Harvey; two million dollars in Dolton and South Holland; 2.3 million dollars in Glenwood; \$950,000 in East Chicago Heights; 1.8 million in Hickory Hills; 2.9 million in Orland Park; 2.3 million in Tinley Park; 2.4 million south of Tinley Park; \$600,000 in Country Club Hills; 3.1 million in the Worth-Palos area, and \$1,250,000 for relief sewers in Oak Lawn.

The budget sets up appropriations for small sewage treatment plants or additions under contract at Streamwood, Orland Park, East Chicago Heights, and Barrington Woods. The budget also provides an initial outlay of \$100,000 for a \$350,000 sewage treatment plant at Lemont and under "future work" a sewage treatment works in Hanover township to cost \$420,000.

Set Jan. 23 As Election Date On Orland Sewers

Citizens of Orland Park will go to the polls Jan. 23 to vote on the sewer question.

The village board of that community adopted ordinances on Monday night of this week setting the date for the election. There were two ordinances passed -- one setting up the election for an issue of general obligation bonds and the other covering an issue of revenue bonds.

Both issues must be authorized by the voters if Orland Park is to have a modern sewer system.

It is estimated that the sewer mains necessary to serve all the householders and business and commercial houses will cost approximately \$455,000. This figure, however, will also include improvements to the water system -- source and mains.

The village is prepared to issue \$100,000 in general obligation bonds and \$355,000 in revenue bonds. General obligation bonds, it was pointed out, are retired thru taxes. Revenue bonds, as the name indicates, are paid off from revenues. In this instance the revenue would come from the sale of water and a service charge on handling sewage.

Orland Park, like other villages in the area, has depended upon septic tanks in the past for disposal of sanitary wastes. Now the area is too crowded, health engineers have pointed out repeatedly, and regular sewer systems are a necessity.

Orland Park does not have to build a sewage treatment plant, as does Frankfort and as did Mokena. The Chicago sanitary district is building such a plant there to serve not only the village but the surrounding area that is expected to be developed.

An election is mandatory as far as general obligation bonds are concerned but revenue bonds can be issued without a referendum. There is a provision in the law which says that a referendum must be called on revenue bonds if a petition bearing a required number of signatures is presented to the village or city council.

The trustees at Orland Park were instrumental in having such petitions circulated and filed so the public would have the final voice on the proposed improvement.

At the meeting Monday night the trustees also approved appointment of Dr. Samuel S. Leavitt as health commissioner, succeeding the late Dr. Mervyn Lane. The appointment was made by Mayor W. R. Schussler, Jr.

Other appointments included Eldon Nicolai to the zoning board of appeal to take the place left vacant thru the death of Dr. Lane. At the previous meeting Mr. Nicolai had been appointed police com-

missioner. He resigned the post, however, and it was filled Monday night thru appointment of Frank Guetter, operator of a private detective agency and who served as head of the Orland Park police previously and conducted a school for the training of volunteer members.

Trustee Lloyd Cowan was named chairman of the committee on streets and alleys, a post that had been held by Trustee Melvin Doogan. Doogan also is head of the water committee and this job keeps him so busy, it was pointed out, that heading the street and alley committee was too much work.

Arbury Hills Developers Talk Of 3,400 Homes

Developers of the subdivision east of Mokena along U.S. 45 say they plan to erect 3,500 homes on the 1,000 acres they have acquired. The president of the company that is doing the developing, Edward Freeley, is quoted as saying they expect to build approximately 400 homes a year. The homes will range in price from \$14,000 to \$17,000 it was said. Included in the price, of course, will be the improvements, streets, sewer, water and such things.

The place is called Arbury Hills.

Roasted Eggs - 510 Dozen

Persons who like roasted eggs could have had a lot of them if they had gotten into a summer kitchen on a farm home in Frankfort township in time last week.

A fire, believed to have started because of defective wiring damage the building and destroyed 510 dozen eggs on the farm of John Funk, two miles north of Frankfort, on U.S. 45.

The fire is said to have started in the kitchen and then spread thru a passage into the house before it was extinguished by the Frankfort fire department.

Holy Name Men Elect Officers

The Holy Name Society of St. Jude's, New Lenox, elected officers for 1960 at the monthly meeting held Dec. 13, as follows: John Brent, president; Harry Clemens, vice president; Ken Kellogg, secretary; George Finger, treasurer; and Ray Kestel, marshal.

Discussing Caucus Plan At Orland

An open meeting was held recently in the Orland Park grade school to discuss whether or not the Orland school district 135 should have a caucus system to select school board candidates. The group voted that this system be used and an organizing committee was elected, who will set a date for the first caucus and present a set of temporary by laws. Mrs. Francis Cohn, chairman, has set an organizing date for Jan. 18, 1960 at 8 p.m. in the Orland Park Elementary school, 143rd and West ave.

All organizations within the boundaries of school district 135 are asked to appoint two delegates and two alternates to attend this meeting. The person who presents a petition, signed by 15 qualified voters, may be a non-organizational delegate.

The caucus system has proved very successful in the Carl Sandburg district and since the Orland grade school population has increased so much during the past years, it is felt that a wider selection of candidates can be obtained by this method, giving better representation in the district.

Dies While Enroute To New Lenox

Mrs. Hazel Conover, 57, Chipley, Fla., suffered a cerebral hemorrhage while enroute to New Lenox to spend the holidays last week and died several hours later at Silver Cross hospital. Funerals services were held Monday of this week at Blood and Grant's chapel, Joliet, with the Rev. J. Leslie Fox officiating. Burial was in Maplewood cemetery, New Lenox.

Mrs. Conover was born at New Lenox, March 3, 1902, the daughter of Charles and Ida Felkey. She was married in 1919 to John F. Conover, who was employed in various Joliet meat markets. Six years ago the couple moved to Florida to take up farming.

They were coming to New Lenox for the holidays and had just reached the outskirts of the village on Tuesday of last week when Mrs. Conover was stricken. That was about 4 p.m. Seven hours later she was dead.

Besides her husband she is survived by a son, John F., Jr., New Lenox; two sisters, Mrs. Maude Spuchler, Panama City, Fla.; Mrs. Helen Tracy, Miami, Fla., and four grandchildren.

3 Die When Wabash Hits Car On Francis Road Crossing

In the wake of a Christmas tragedy that snuffed out three lives one of them a 4 year-old New Lenox girl--residents of that community and Mokena were urging this week that protective devices be installed at the Francis road crossing of the Wabash railroad.

Only the standard signs, made in the form of an X and inscribed with the words "Railroad Crossing", stand along the tracks. There are warning signs preceding these posts, however, but there are no flasher lights to signal the approach of a train.

The child, Treva Beth, one of three children of Michael and Betty Paslaski, 1 S. Marley rd., New Lenox township, was being brought home by her grandparents. The grandfather, Joseph M. Rowlett, 57, and the grandmother, Treva, 53, lived at 326 Fairmont ave., Lockport.

They were traveling west on Francis rd about 5:40 pm, Friday. A witness, Kenneth W. Cornfield, of Mokena, told Coroner Wilford G. Blood and Deputies James Washburn and Donald Knutson that he was driving east and had stopped for the approaching train. The train, the "Bluebird" was traveling south and according to the engineer, R.W. Armstrong, of Decatur, was going about 70 miles an hour.

Cornfield said he blinked his lights at the approaching car but it kept on coming until it reached the tracks where it apparently stalled. Mrs. Rowlett was trying to get out of the car when the train struck, according to the report.

The bodies of the two adults were thrown some 15 feet beyond the wreckage. The child's body was found 300 feet away.

The Rowletts came to the area from Kentucky about 17 years ago. Mr. Rowlett was a carpenter and his wife worked as a seamstress for a clothing firm in Joliet.

The victims were taken to the Baskerville chapel, New Lenox, and remained there until Saturday night when the bodies were taken to Murray, Ky, for funeral

services and burial Monday.

Besides Mrs. Palaski, the Rowletts are survived by three other daughters, Mrs. Matthew Picciolo, who left Dec. 19 to join her husband in London, England; Mrs. Donald Osmus, New Lenox; Mrs. Dean Casey, Lockport; a son Charles Washam of Chicago and 18 grandchildren.

Two other traffic deaths occurred in the area in Will county in the holidays. Mrs. Jean Barnes, 39, of Hampton Park, near Lockport, was fatally injured Christmas eve when the car in which she was riding, driven by her husband, Clarence, 42, was struck head on by a car driven by John C. Hacker, 35, of Joliet.

Hacker, who state police say had been drinking, is charged with reckless homicide. He was driving south on U.S. 66A and was said to have been in the north-bound lanes. Police said he had

St. Jude's Hi-Teens Elect Staff

The new officers of St. Jude's Hi-Teens presided at the Dec. 10 meeting held in the school hall, New Lenox.

Committee heads for the year were announced as follows: religious, Willie Kramer; social, Jill Knowles; culture, Sue McCowan; membership, Richard Cruise; athletic, Dave Griffin; telephone, Kay McCure; photography, Jim Bostnick.

Plans were made for the Christmas party held Dec. 26, at the Vondrasek residence, 151 Ash st.

The eighth grade Civic Club of St. Jude's school recently made a trip to the Trinity School for Retarded Children, where they presented a Christmas program, patterned after the Ed Sullivan TV show.

The eighth graders were much impressed with the courtesy and behavior of the children during the visit.

Last Rites For Opel Bittle, 65,

Funeral services were held yesterday for Mrs. Opel Bittle, 65 of 191st st., Mokena, who died Saturday, Dec. 26 at Silver Cross hospital. She had been ill for a long time.

A native of Greenville, O., where she was born Sept. 11, 1894, she had resided at Joliet, New Lenox and Chicago before moving to Mokena in 1954. Her husband, William, died in 1948.

She lived with her daughter, Mrs. James Stanek, and was a member of the Woman's Guild of St. John's church, Mokena.

Besides the daughter, Mrs. Bittle is survived by a son John Claussen, of Joliet; a sister, Mrs. Stella Redding, of Gary; five brothers, Clifford and Orla Longanacker, of Joliet; Glenn, of Plainfield; Robert, of Munster, Ind., and the Rev. Bernard Longanacker of Hewitt, Minn.; eight grandchildren and six great-grandchildren.

2 - Car Collision Fatal To Martha Robson, Orland

An 18 year old Orland Park girl was killed and three others injured as a result of a 3-car accident in Orland township last week.

Fatally injured was Martha Robson, of 9971 W. 143rd st. She died several hours after the accident, at St. Francis hospital, Blue Island, where the other injured also were taken.

Miss Robson was a passenger in a car driven by Judith Furlong, 19 of 1491 Highland ave., Orland Park. Also riding in the car was Judith Kekstra, 18, of 8410 Hillcrest rd., Palos twp.

All three were taken to the Blue Island hospital as was Mrs. Ann Sefranek, 48, Rt. 2, Orland Park, driver of the second car. Her condition was quite serious.

The accident occurred at the intersection of 135th and Harlem ave., in Orland township. The girls in the Furlong car all work in Chicago and usually ride the train. Last week, (Tuesday, Dec. 22) however, they decided to drive in as they planned to do some shopping.

Miss Furlong was driving east on 135th street. It was about

6:20 a.m. According to state police who investigated the crash, the east bound car is alleged to have ran the stop sign at Harlem and into the path of a northbound car driven by Mrs. Sefranek. The Sefranek car then struck an auto driven by Lorraine Olson, 29, U.S. 45 and 167th st., Orland Park. The driver of the third car is said to have escaped injury.

Miss Robson died sometime after 11 a.m. She was employed as a secretary in an insurance office in Chicago. She was graduated from Carl Sandburg high school in June, 1958.

Besides her parents, Raymond B. and Elsie Furlong, she is survived by one sister, Mrs. June Kardeke, of Palos Heights, and four brothers, Raymond, Jr. of Orland Park; John, of Chicago; Herbert, of Dundee and Frank who is now serving in the U.S. Air Corps.

Removal was to the Schmaedeke funeral home at Orland Park. Services were held at 11 a.m. Thursday at the Church of the Good Shepherd at Palos Park with the Rev. Harry Huxhold officiating. Burial was in Palos Oak Hills cemetery, Palos Park.

Gas Co. Prepared To Heat All Homes

Northern Illinois Gas Co. has proposed to authorize gas heat to all residential customers who want it during 1960.

NI-Gas has asked Illinois commerce Commission approval to authorize natural gas heat to as many as 80,000 single-family homes. These permits would provide for all applications anticipated thru 1960, according to NI-Gas vice-president, H.A. Diekmann.

The utility's plans are based on expected additions of 147 million cubic feet to its daily pipeline supply for the 1960-61 heating season.

Tuesday's petition also asked

approval to allocate 75 million cubic feet of gas daily for heating other types of buildings. Diekmann said this would provide gas heat to about 15,000 multi-unit residence buildings and all types of non-residential buildings.

He stated that all new buildings for which application is made in 1960 will be able to get gas heat.

Diekmann pointed out, however, that existing apartment buildings (more than two units), schools, as well as commercial and industrial buildings, will be authorized gas heat only if gas air conditioning is installed or if the heating equipment's hourly gas input is under 350,000 Btu (about the equivalent

of three small homes). Requests for heating buildings that do not qualify will be placed on a waiting list. The utility hopes to be able to remove all gas heating restrictions before the end of 1960.

He emphasized that written authorization must be received from Northern Illinois Gas before a customer may install gas heating equipment. All customers authorized would have 12 months in which to make the installation, he said.

NI-Gas serves more than 660,000 customers in its 20 county service territory in northern Illinois. Over 340,000 of these now heat their homes with natural gas.

A WHITE CHRISTMAS -- At first the weatherman said no, then he said yes and by golly, he was right. It was a white Christmas indeed but on the day after the rains came and the grass and leaves were showing again. Who knows? Maybe we'll start the new year with a

blanket of snow. This picture was taken in Orland Park Hills at Orland Park. Curved streets, the photographer says, are easier to take pictures of than straight ones. (Marvin Smith Photo)

Soil Conservation Leaders Prepare Work Program

The Will county soil conservation district directors and their technicians held a meeting for all the group leaders of the county at Manhattan, Wednesday, Dec. 9, in the Veterans' hall. Several members of the South Cook Board were guests. The main reason for the meeting was to establish an advisory council to aid the five board members in carrying out a better work program for the S.C.D. members of the county. The county has been divided into ten areas. The group leaders from each of these areas were asked to elect one of their members to serve on the advisory council and meet with the board several times a year to inform the board of their desires.

In the near future, Tom Morgan and Allen May, the technicians, wish to meet with each of these groups to discuss their local problems and needs.

A. H. Krusemark, attorney and farmer from Frankfort, brought the group up to date on drainage laws. He told them where and when one may ditch or tile. He also stated that the regulations for all drainage districts are now recorded at the court house and all assessments for drainage are recorded against the farm, the same as back taxes.

The Illinois legislature recently completed codifying drainage laws, bringing them up to date, and taking out some of the loop holes.

Herbert Davenport, of Kankakee technical engineer for the Soil Conservation Service in this area, talked on how to properly tile or put in shallow ditch drainage. He stated that sandy soils are now being successfully tilled by laying sheets of plastic under and above the tile lines.

Bernard Fleming, field representative for the Illinois Association of Soil Conservation Districts described the effects of urbanization on agriculture in this area. He also pointed out the importance of good leadership in conservation work.

The Rev. Lester H. Laubenstein of Joliet, made an effective appeal for the concept of stewardship of the soil. He felt Soil Stewardship Sunday should be observed with emphasis.

Loren Sass, chairman of the Soil Conservation District board conducted the Manhattan meeting. He said the national and state associations have been pushing the idea of storing the surplus in the soil instead of in government bins, but with the present economic trend it is not very easy to get farmers to follow this idea.

On Monday, Dec. 14, the soil conservation district was represented at the Kiwanis luncheon meeting in the Louis Joliet hotel by Mr. Sass. The subject at this meeting was water conservation. It was pointed out that before 1943 agriculture was considered the main user of water; however, since then industry has taken first place. The time is coming when water will have to be reused.

To live with the same security in 1975 as we have today in agriculture, will take a great deal of planning and rapid progress in techniques, it was said. The present population is approximately 177 million, and it is estimated to be 230 million by 1975. This means an increase in agricultural production of 35 or 40% to maintain the same bountiful supply. The department of agriculture says there are 506 million acres in cultivation today. If this is increased in comparison with the population, 714 million acres will be needed.

Nurse Refresher Course Given At Ingalls Hosp.

Ingalls Memorial Hospital, Harvey, is sponsoring a refresher course for nurses who are currently registered but have been inactive in the field. The purpose of the course is to acquaint these nurses with current trends and with new procedures as they effect nursing care. This would enable such nurses to return to active duty when they desire to do so.

The course will review procedures in medical, surgical, pediatrics and obstetrical nursing. The class will be limited to thirty nurses and applications will be accepted only after a personal interview. The course will begin on February 1, 1960, and continue for twelve weeks. It will be given in the hospital with both classroom instruction and actual demonstration in nursing areas. A small fee will be charged to cover the cost of giving the course and a certificate will be issued to all nurses who complete it.

There is no obligation to work at Ingalls Memorial Hospital upon completion of the course. Rather this is offered as a public service to help increase the available pool of nurses in the area. Interested nurses may call Edison 3-2300 or write to Mrs. Esther Pfab, R.N., Director of Nursing Service, Ingalls Memorial Hospital, Harvey, for application forms.

Salvation Army Launches Appeal

Special letters will be received this month by residents of Tinley Park as The Salvation Army launches a mail appeal on behalf of its local Service Unit Committees in the communities of the metropolitan Chicago area.

Rev. Roderic Jackson, 16530 Ridgeland, Tinley Park, is chairman of the Tinley Park Committee. Salvation Army Service Unit Committees are organized to give assistance in sudden or prolonged illness and other emergencies

where a friendly helping hand is needed, and to those people who are not covered by established or routine welfare programs. Whenever possible, the problem is solved within the community, but when necessary people are referred to institutions operated by The Salvation Army in Chicago. Food, rent, holiday food baskets, homemaker service, assistance to standard transients, health services, clothing, furniture, and bedding were among the services committees have given in the past year.

Melvin E. Keup, Bremen State Bank, 17316 Oak Park ave., Tinley Park, treasurer of the local Service Unit Committee, urged Tinley Park residents to mail their contributions soon. He pointed out that a portion of the funds raised will remain in the community to carry out the assistance program. The same plan is followed on the annual "Doughnut Day" in June. The balance of the amount raised will help support the other traditional Salvation Army services and institutions in the area.

Name Semi-Finalists In State Scholarship Test

Governor William G. Stratton has announced the names of semi-finalists in the selection of 1960 Illinois college scholarship award winners.

Carl Sandburg High school had ten semi-finalists winners and Lincoln-Way High school, eight.

The semi-finalists at Carl Sandburg, are: Patrick Barrett, 8609 W. 121st St., Phyllis Carey, 8702 W. 124th pl., Arthur Denne, 11715 Highwood, Linda Peerson, P.O. Box 279, and Margaret Cummings, 8614 W. 129th st., all of Palos Heights; Leighton Scott, R.F.D. 2, Box 369, and Betty Stellegren, 108th ave., and 179th st., both Tinley Park; Joseph Straka, 8951 W. 98th st., Palos Hills; and Sheila Sundquist, 7301 W. 110th pl., Worth.

Students at Lincoln-Way named semi-finalists, are, Marjorie Ardaugh, Manhattan; Diana Bost, 11412 W. 194th st., and Bill Zemeske, all Mokena; Gerald Eisenbradt and Tamarlee Trump, both Frankfort;

and Jonelle Roberson, New Lenox.

Honorary scholarships are provided as well as monetary awards. The honorary winner has met all of the qualifications to receive a state award except that of financial need. Many honorary winners have not asked to be considered for anything other than an honorary award. In announcing winners to the public and to schools the Commission does not distinguish between the two types of scholarship winners. The honorary Illinois Scholar will receive a certificate, public recognition of his achievement, and have the opportunity of receiving financial assistance at a later date in his college career if the need should arise.

As was true in previous years, semi-finalists will be required to submit further evidence of their qualifications to receive a state award. In addition to asking the applicant himself for further information, the high school will be asked for a report on the student and the parents will be asked to submit a statement of their financial circumstances. Jan. 10, 1960, has been set by the Commission as the deadline for receiving applications from semi-finalists.

The first students to receive Illinois State Scholarships were selected in 1958. There were 2160 scholarships awarded in that year, of which 1502 were monetary and 658 honorary. The second group of Illinois scholars entered college this fall. There were 2971 scholars named in this 1959 group; 1555 of which were monetary winners and 1,416 honorary. Winners may attend any of the 72 approved colleges and universities in Illinois and may enter whatever field of study they choose. State scholarships are renewable for a period of four years.

OPEN CURRENCY EXCHANGE

The Markham Currency Exchange, the first located there, has opened at 3436 W. 159th st. The owners are David H. Burrell and Glen Pyle, the latter being village treasurer of Midlothian. Both men have resided many years in the area.

Business & Finance

By Maurice P. Angland

Traditionally, the year end is a time for consideration of business results of the closing year and plans for the new year.

A number of those investment advisory services who base their predictions on charts reflecting market prices changes, are now pointing out that the Dow Jones industrial averages exceeded their previous high reached on August 3, 1959. Some of these services predict considerably higher market levels for the Dow Jones Industrial Averages.

On average, prices usually move up around the end of the year. This would seem to be normal on the basis of fact that the year end is a period of large dividend and interest payments which promptly seek investment.

Altho the Dow Jones Industrial Average has shown a substantial increase, close inspection of market prices, shows the increases are being shown largely in stocks of the well established firms with good profit prospects.

The electric utilities and telephone stocks have not done as well as the industrials. This is due to the fact that a large percentage of capitalization of these firms is in borrowed money on which the interest rate has increased considerably. There seems little likelihood of near by lowering of interest rates. Utilities, generally, require from eight to 10 per cent of their capitalization, in new funds each year, to take care of normal growth. From this it can be seen how important interest rates become. Interest rates do not have great impact on industrial production and pricing as such increases are passed on in the form

of higher prices.

In an appraisal of the business picture, the situation as to control of inflationary pressures must be considered. Prior to the steel strike, we heard much about claims that the inflationary trend had been brought under control. Recently little of this type of prediction is being heard. The cost of living index reached new high ground and wage increases are continuing. Inflationary government state and city spending are reaching new highs.

Some political sources have been expressing the belief and hope that the cold war expenditures will lessen with the new understanding and amity in world affairs. Practical military and international experts are now working hard at bringing the facts of life to the public. It would be comforting to believe that events make possible an optimistic view of the foreign situation, but the facts must be faced. Our survival as a nation is involved. As a nation, we have made some costly blunders by following superficial rather than unpleasant, but basic foreign policy.

Johns Hopkins University report to the State Foreign Relations Committee, Stanford Research Institute, and Rockefeller Brothers Fund, published their individual studies of the foreign situation, about ten days ago. These findings with confirmation by men who have spent years as professionals in the military and diplomatic services, indicate the world position is in a very critical state. We will be forced to move in various situations without regard to cost involved. It is quite obvious that our budget will be controlled by Moscow's moves rather than our own desires. It is difficult for peoples of a democracy to realize that Russian leaders can and do make their plans and moves without regard to what we call public opinion. This fact has been of great advantage to Russia.

There is little likelihood that so called defense will be cut in coming months. Investment services are recommending selected motors, steels, electronics, space age, aluminum, television, copper, oils, chemicals, drugs, and electrical equipments.

Home Bureau Holds Yule Meeting

The Bremen Home Bureau meeting was held at the home of Mrs. Robert Hult, Thursday evening, Dec. 10. Christmas cookies and coffee were served by the hostesses Mrs. William Kopp and Mrs. Bert Holup.

Games were played and Christmas songs were sung under the direction of Mrs. Robert Nelson and Mrs. Nick Anast. A grab bag exchange of gifts was enjoyed. The lesson "Christmas Special" was in keeping with the season, how to make toys for children and how children spend Christmas in other lands. Each member participated by telling how they spend their Christmas Day. Mrs. J. M. Chalden and Mrs. D.C. Reynolds conducted the lesson.

Hospitality chairman, Mrs. Donald Pope, asked each guest to sign the register. They were Mrs. D. R. Lasser, Mrs. John Hughes, Mrs. Jerry Hutton, Mrs. Sidney Feiwell and Mrs. Raymond Peters.

The Cook County annual meeting will be held Jan. 21 all day Thursday at Merchandise Mart. The program speaker is Mrs. Elizabeth Stewart, her topic is "Pig and Poetry" one full of humor and philosophy.

Reservations should be made to Mrs. Goodrich Shantz by Jan. 10. Tickets are available.

Mrs. H. A. Benck and Mrs. Joseph Edwards are giving the Jan. 28 lesson on the subject of "The Delusion of Joint Ownership," at the home of Mrs. Robert Nelson.

Yellow edges around tail and anal fins, a larger mouth and a spot that does not cover all of the gill flap are marks distinguishing a green sunfish from a bluegill.

The largemouth bass is a member of the Sunfish family. Large mouth bass eggs hatch from five to 10 days after spawning.

ORLAND PARK Boy Scouts Plan Paper Drive Jan. 2

BY LILLIAN KNOX
Fieldbrook 9-0211

The Boy Scouts will conduct a paper drive on Saturday, Jan. 2. Residents are asked to cooperate in helping the Scouts by saving their paper, tying it in bundles and placing at the curb. If convenient, paper may be brought in bundles to the truck which will be parked in front of the Orland Park grade school on 143rd st.

Mrs. Frank Buck has been named co-chairman of the 1960 March of Dimes for Orland Park. Thru oversight, this information was omitted when mention was made that Mrs. Edward Mrosek was chairman of the annual drive. Mrs. Buck, who is librarian of the Orland Park library and participates in many local activities, has served in the March of Dimes campaign in previous years. It is expected that coin collectors will be distributed in business houses throughout the area. Mrs. Buck, Mrs. Mrosek, Mrs. Ambrose-Morgenthau and Mrs. Stuart Culp attended a meeting of South Suburban chairman at the Olympia Field Country Club on Dec. 17, where procedures were discussed.

Mrs. Emma Fanslau, mother of Mrs. Norman Eckert, tripped on a rug and fell while getting into bed on Nov. 23. She was taken to Little Company of Mary Hospital the next day, where x-rays revealed her hip was broken, requiring surgery. Mrs. Fanslau will mark

her 83rd birthday in March. She was hoping to be home for the holidays.

Mr. and Mrs. Parker Enders newlyweds, are at home at 139th and Wolf rd., following a three-week honeymoon spent in Las Vegas, Nev., and Palm Beach, Calif.

CHURCH SERVICES

A New Year's Eve service will be held in Christ Lutheran church, 143rd and West ave., at 7:30 p.m. Holy Communion will be served and the pastor, Rev. Adolph Lach will officiate. The Sunday school meets at 9 a.m. and the regular service is at 10 a.m. on Sundays. A Bible class for teenagers is also held in the church.

On New Year's morning in St. Michael's church, Highland ave., there will be masses served at 3 and 3:30 a.m. The regular time for Sunday masses are 7, 8, 9, 10, 11 and 12 noon.

The Church of the Nazarene will

hold services New Year's Eve at 11 p.m. with communion at midnight.

Mr. and Mrs. Howard G. Copper, 94th ave., and 159th st., are being congratulated on the arrival of a grandson, born Dec. 16 at Morristown hospital in New Jersey. The infant, who weighed 8 lbs., is the son of Mr. and Mrs. Gordon Cooper of Morristown. He is the Howard Cooper's ninth grandchild.

Meador T. Hill Jr. was promoted to the grade of corporal in the Reserve Officers Training Corps at Rose Polytechnic Institute, Terre Haute, Ind. He is the son of Mr. and Mrs. M.T. Hill, 8900 Hillcrest drive, and a junior in the mechanical engineering department.

Al Pohlers Gets License For FM Radio Station

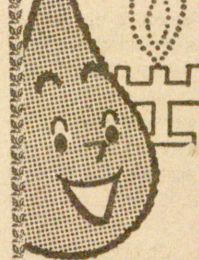

Alfred Pohlers, and his wife, Jane, of Joliet, have been granted a license by the FCC to operate an FM station at 451 Ruby street where Pohlers also has a machine shop.

The new station will be a thousand watts and will operate on a frequency of 93.5 megacycles. The call letters are WAJP, the last three letters representing the initials of the owners.

Edward W. Jacker, of Elmhurst, has been retained as consulting radio engineer, and the latest in high fidelity equipment is being purchased. Pohlers, who broadcast formerly had a variety program from Joliet, LaGrange, Aurora and Kaneville, and has been active in radio for the past 25 years. The new station will open in the spring, Pohler said, and will broadcast live, as well as taped recorded programs.

Pohlers also has a company that makes high fidelity disk recordings.

BY DEAN DALLAS

Semmler Press Sports Editor

New Year's is here. Resolutions will be made -- they say -- to be broken.

It is interesting to have a backward glance at the unusual happenings of the past year.

Tony Bettenhausen, Tinley Park race driver, cracked up the sleek Ansted Rotary Special on the first day of time trials and then finished fourth in the Memorial Day classic in the slower Hoover Motor Special.

Tony hopes that the Lindsay-Hopkins will be the big car that will bring him the big victory in 1960.

Lincoln-Way's victory in football over Rich, the first loss for Rich in 18 games, was a bit like the stunning upset that Lincoln-Way inflicted on the great Rocket basketball team a couple years ago.

Jonas Lashmet was thrilled as his young men poured it on and on give Rich a convincing, 20-14 loss. The score was by no means the story of the game. It was dominated by the Knights -- no fluke upset. It was a solid victory.

Ed Smith and Bill Seavertson were two of four players to make both the offensive and defensive squad in the SWS All-Star selections. Seavertson receives special honor when he was named lineman of the week by the Chicago American. It was the only time this season that a SWS lineman received such an honor.

Bob Aulwurm of Carl Sandburg also was selected as the third man to make All-Conference squad on both teams.

Carl Sandburg made a great run for the football title and missed a tie for the championship with Rich, when Bremen tied them in the season's finale at Orland Park, 6-6.

Sandburg allowed only 40 points to the opposition in the entire season, for the best defensive mark in football.

Bob Rodgers, now a freshman at University of Illinois, was selected as the All-Conference forward in basketball. Bob played at Bremen and was the only player from our area to receive such honor.

Carl Sandburg finished eleventh in the state wrestling meet in 1959.

New stories will be written in 1960. It does not appear that Rich will take home all of the titles in the SWS. The Rockets are currently in second place in the basketball standings.

Coaches were looking for Santa to leave a few presents in their stockings, but we have not heard of any special delivery from the North Pole.

January -- or the first two weeks -- will go along way toward giving some idea about the outcome of the SWS roundball title fight.

Dies Following Brief Illness

Funeral services for Mrs. Henrietta Andres, 88, a lifetime resident of Tinley Park, were held Monday in the Methodist church. She died at her home, 6725 South st., after a lingering illness. The Rev. Kenneth Crandall officiated and burial was in the Lincoln Highway cemetery, Aurora.

Mrs. Andres was born in Tinley Park Nov. 3, 1871. She was preceded in death by her husband, the late Christian, who died in 1953, and was a former postmaster in the village. She is survived by a brother, William Nielson of Tinley Park.

Woman's Club Fete Children At Christmas Party Dec. 21

BY FRANCES DOVE
Fulton 9-5284
Fulton 8-5274

The Forest Ridge Woman's club held their annual Christmas party in the village Fire House, 156th and Cicero ave., Dec. 21. About 40 boys and girls and their parents attended. With Mrs. Steven Sarovich at the piano all sang carols, Mrs. Kenneth Perrigo arranged to have a speaker from the Cook County Civil Defense Association. Monty Hall Jr. had his group of square dancers do two dances. Susan Snow sang "I'm Dreaming Of A White Christmas." Steven Sarovich Jr. played the piano, Charles and Lillian Bettenhausen entertained on their accordions. Santa was there and each child was able to tell him of their wants for the big day and also received a present. The adults all received a gift and refreshments were served. The next regular meeting of the club will be Jan. 6, 1960 at 7:30 p.m. in the Fire House with a program by Civil Defense. Hostesses will be Mesdames Anna Votjeh, Rygene Lang, Charles Rotche, Chester Cameron, and Robert Du Bois.

The Woman's club donated four large baskets to needy families in the village. Mrs. James T. Rudd was chairman.

Betty Thomas, 159th and Oak st., came home from St. Francis hospital Dec. 22, where surgery was performed on her arm, broken recently in a fall. It was necessary to reset the break and place three pins in the wrist and thumb, because it was not healing correctly.

Get well wishes are extended to Robert Noak Sr. and Cheryl and Ronnie Dove.

Belated birthday greetings to Mike Thomas, who celebrated Dec. 22.

Mr. and Mrs. Donald DeVoss celebrated their ninth wedding anniversary Friday, Dec. 11.

Five-year old David Salach, who lost his right hand in an accident two weeks, returned home from St. Francis hospital on Dec. 22, in time for the Christmas holidays.

Anniversary greetings to Mr. and Mrs. Fredrick Wifuss on Dec. 29, and Mr. and Mrs. R.S. Fields on Dec. 30.

Happy birthday to William Jolley, who was five years old Dec. 24, Mrs. Paul Wilkey, Dec. 29, Linda Roland and William Mihal-

ovits, Jan. 1, Herbert McPherson, Jan. 5, and Mrs. Joseph Wolf, Jan. 7.

Mr. and Mrs. Ronald A. Dove and children, Cheryl and Ronnie, Mrs. Dove's mother, Mrs. Sam Snell, visited Mr. and Mrs. Tom Malone Sr., in Chicago on Dec. 23, where gifts were exchanged. They are godparents of the Dove children.

The W.G.P.C. held their Christmas party Tuesday at the Valley View Farms. Those attending were Marge Cameron, Arlene Ramsey, Bessie Now, Edith Barth, Rygene Lang, and Vel Roque of Oak Forest. Ruth Moore of Tinley Park, Liz Roque of Posen, Margaret O'Connor, Lorraine Stone and Ethal Kaur of Harvey, Tillie Harlitt of Flossmoor, Cleo Butterfield of Oak Lawn and Marie Kebecki. Christmas gifts were exchanged, and a good time was had by all.

Mrs. Doris Wells, Mr. and Mrs. Mike Thomas and daughter Debbie left Dec. 24 for Grand Rapids Mich. to visit Mrs. Wells daughter, Mrs. Alice Kush, her son Ronald Wells and family in Grand Rapids, another daughter Mr. and Mrs. Arnold Kreft, for the Christmas holiday. They all returned to their home Sunday Dec. 26.

Mr. and Mrs. Dale Jesk enjoyed several days vacation at Rockton, Ill. While they were away Mrs. Jesk's mother, Mrs. Charlotte Dewar of LaPorte, Ind. took care of the children.

Mr. and Mrs. A. Pinson and family of Knox, Ind. spent the weekend at the home of Mr. and Mrs. Jack Angel.

Mr. and Mrs. John J. Hraha of Greenwood, S. Carolina are spending the holidays with their daughter Mrs. Dorothy Saich and family.

A pre-Christmas dinner with turkey and all the trimmings was enjoyed Sunday, Dec. 20 at the home of Mr. and Mrs. T.H. Reimer Sr. with all their children, grandchildren and Mrs. Reimer's mother, Mrs. H. Smith of Chicago. Christmas day the senior Reimer's celebrated their 34th wedding anniversary by having dinner downtown and going to the show. On Thursday Mr. and Mrs. Dean Watts (Lois Reimer) went to Peoria to spend the Christmas holidays with Deans grandmother Mrs. Mildred Campbell.

Mokena Couple Honored on
Golden Wedding Anniversary

Mr. and Mrs. F.S. Engebretsen of Mokena were feted at a party to celebrate their golden wedding anniversary. About 250 friends and relatives attended the affair, held in Chicago on Dec. 15.

A buffet supper was served to the guests by Mrs. John Ingebretsen, the couple's daughter-in-law, and Anna Lennowski, who were also responsible for the decorations.

An orchestra provided music for dancing. Despite the fact Mrs. Ingebretsen recently underwent a surgical operation, the honored couple danced the anniversary waltz.

Married in Chicago, they lived there until moving to Mokena seven years ago.

They have three daughters, Mrs. Margaret Seal of Mokena; Mrs. Helen Kelly, and Mrs. Alice Rulak, both of Chicago; and one son, John Engebretsen of Chicago; nine grandchildren, and two great-grandchildren.

The grandchildren are Delores,

Joyce, and William Seal, who is a sergeant first class in the U.S. Army, stationed at Fort Campbell, Ky., Kathleen Kelly, John and Diane Wrecenyar; John Jr., Bruno and Elaine Engebretsen. Great-grandchildren are William Jr. and Danny Seal.

Mrs. Martha Stuvee, a sister of Mr. Engebretsen, who was a bridesmaid at the couple's wedding, was present at the reception. The couple received many beautiful gifts.

VFW Auxiliary
Honors First
President

Mrs. L.D. Maxwell, first president of the VFW Women's Auxiliary at Tinley Park, was the honored guest of that organization at its annual Christmas party.

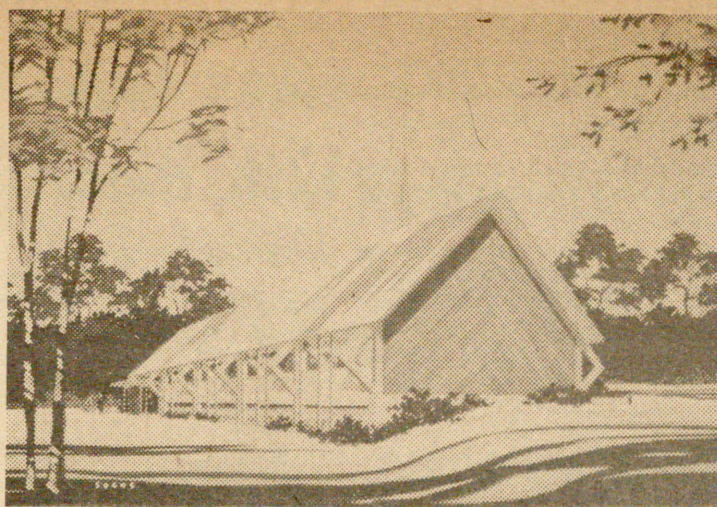

Mr. and Mrs. Maxwell, who resided at 18211 Sayre ave. for the past 20 years, are leaving Tinley and moving to Ohio. Mr. Maxwell, incidentally was the first commander of the VFW post in Tinley. That was in 1941.

At the Auxiliary party a lovely buffet supper was served and afterwards a program honoring Mrs. Maxwell was given with Mrs. William Houle, president of the unit, in charge.

Mrs. Charles Wolf, a past president, gave a history of Mrs. Maxwell's service with the auxiliary. Another past president, Mrs. Peter M. Seeley, presented the honored guest with a set of stainless steel ware as a farewell gift from the auxiliary.

Mrs. Houle then presented special guests present for the occasion, including Mrs. Helen Attig, Miss Grace Moore and Mrs. Dorothy Owry, of the Wheaton (Ill.) auxiliary of which Mrs. Owry is president; Mrs. John Stalman, president of the 16th district; Mrs. Lillian Sagorski, president of the VFW auxiliary at Chicago Heights, and Mrs. John Panozzo, of Tinley.

The program was concluded with a song especially composed in honor of Mrs. Maxwell. It was sung by all present with Mrs. H.C. Moore as the accompanist on the piano.

PROPOSED PRESBYTERIAN - Church of Tinley Park is shown in this architect's drawing, the ground-breaking to be held Sunday, Dec. 27, at 11 a.m. The Woman's Association of the church will serve refreshments following the ground-breaking ceremonies. The proposed building will cost about \$65,000 and will be so constructed that a future addition can be made. It will be of contemporary design to accommodate about 165 persons, and will be located at the corner of 167th St. and Gaymelle rd. One end of the structure will be brick and the remainder frame construction. It is expected to take about six months to complete the structure.

YMCA News

Cola Cabana Dec. 12 proved to be a big success. Some 200 teen agers attended and everybody had a grand time. Ballots for new officers for Cola Cabana were filled out at the door.

The results of the election: Dom Petrosse, president; Sue Yurtis, secretary and Jim Cavanaugh, the treasurer. The Cola board is presently working on the New Year's Eve dance. This dance will be held at the Orland elementary school and the Rhythm Kings will supply the music. Dancing will be from 8:00 until 12:30.

Biddy basketball is also in full swing in both Palos and Orland Park. In the Palos area the total number is up to 50 boys making up 5 different teams. The fathers

of the boys are the coaches.

Out at Orland Park, the number of boys is still growing. There are 25 boys at the present making up teams, but there is still room for more. In both areas the fathers of the boys are doing the coaching. Boys between the ages of 9-12 who would like to play basketball may come out Friday from 7 to 9 at the Blue Island high school, or on Tuesday from 6:30 to 8:30 at Orland elementary school. The next meeting for biddy basketball will be after the first of the year. Holiday trips will be made during this vacation for boys and girls.

Christmas is celebrated three times in Iran — once in December for Protestants and Roman Catholics and twice in January for Armenian and Russian Orthodox.

Garden Club
Holds Annual
Christmas Party

The Tinley Park Garden club held their annual Christmas party at the home of Mrs. Zawadki on Thursday, Dec. 17.

The luncheon was served at a table attractively covered with a red luncheon cloth, and a centerpiece of white mums. Candy cups of red and green and Santa Claus napkins, completed the Christmas theme. A decorated Christmas tree added to the spirit of the season.

Following a short talk by the president, Mrs. Mary Ellen Klepper, a game was played, where each

wrote a short Christmas experience. These were read and enjoyed.

Mrs. John Swisher reported on the gift boxes sent to the Tinley Park State hospital and to the Chicago Plant, Fruit and Flower Exchange, which included 17 dolls.

Christmas carols were sung and a gift exchange was held.

A pleasant surprise during the afternoon, was a telephone call from a former member, Mrs. Bob Memhard in Ft. Lauderdale, Fla.

The club president presented each member with a gift.

Guests at the luncheon were the hostess' mother, Mrs. Victoria Dziwik and Mrs. A.P. Mancl.

The bride-doll was awarded to Mrs. Mildred Cleveland and the pink doll to Mary Lou Flockhart, grand-daughter of Mrs. Fred Goebel. These dolls had been on display at Klepper Bakery, and was a ways and means project of the club.

Homer Progress On Fire Station Is Reported

By Elizabeth Anderson
Progress on the Homer Fire Station, as reported by the secretary, Walter Mooney, shows that the kitchen, ceiling in the main room and the meeting room are all nearing completion; the shower stalls are about half done. The active firemen have been measured for coats, helmets and boots.

Radios have been received to equip all active firemen; thus news of a fire can be transmitted to these men by radio when the equipment is ready for use. The truck is being completed quite satisfactorily.

Vehicle tags with forms to be filled out will be in the mail shortly, and should be returned as soon as possible. A Homer vehicle tag may save you the inconvenience of being ticketed for not having a city tag when travelling in other towns.

Tickets for the Sweetheart dance to be at Moose Hall, Feb. 13, are on sale. Raymond Hostert is chairman of tickets.

The African Violet Club held its Christmas party and gift exchange at Charm Acres tea room, Dec. 15.

Two persons have recently received building permits in this twp. They are Small Homes Corp. for a \$10,000 home at Rickerman and 136th st., and Laddie I. Boula for a \$17,500 house on Rte. 4-A between 143rd and 147th Sts.

Mrs. R.W. Carlson was rushed to Silver Cross hospital Tuesday evening for an emergency appendectomy. She is recovering nicely.

The P.F. group of Homer Church went caroling to many homes in this area Tuesday evening. They were accompanied by Rev. and Mrs. Elvig, and returned to the church for refreshments late in the evening. On Saturday, these active youngsters decorated the tree at the church and also packed candy boxes.

On Sunday evening the Sunday school presented an effective Christmas pageant. The choir added much to the church service Sunday morning, and on Christmas Eve, an appropriate program of music by the choir and individuals, interspersed with readings by several children, was given at 7:30 at the church. Rev. and Mrs. Elvig held open house

at the parsonage Saturday evening. Mokena Lions Club To Observe 12th Night On Jan. 3

BY MARGARET SEMMLER
Mokena 5561

The Mokena Lions club, with Jerry Nelson as chairman, will observe Twelfth Night on Sunday, Jan. 3, when they will assist the Cub Scouts in collecting discarded Christmas trees. The collection will start about 1 p.m. The trees will be taken to Community park where they will be placed in a large pile and set afire. The fire department will be on hand to keep a watchful eye on the bonfire.

It has been suggested that when the Cub Scouts collect the trees from homes in the village, that a small donation be given them for their efforts.

When the tree burning ceremony is completed, the Cubs and helpers will be served hot chocolate at Cook's restaurant.

The Lions club had discontinued the monthly paper drives as not enough paper was received to make it worthwhile. The money derived from the selling of scrap paper was used by the club for community projects, most of the time to pay the rent for the local library.

Mr. and Mrs. Ernest Edwards, their grandson, Walter Jr., and their dog, Duke, entrained on the Santa Fe in Joliet Sunday night for Anaheim, Calif., where they plan to live with their son, Pharmacy Mate 1-C Ernest J. Edwards and his family, who has served in the Navy for 17 years. They plan to live in California for about a year.

Because the Summit Hill school house is too small for a large social affair, the Veterans of Foreign Wars Post donated their hall to the school where they held their annual Christmas party and play on Dec. 21. There was a large attendance and everyone had a fine time. Miss Harriet Hoogstra brought her electric organ and played many selections. Santa Claus climaxed the evening with his annual visit.

Christmas Guests
Mrs. Lydia Ryan spent the day with her sister, Mrs. Louise Schweiser and daughter in their home in Joliet. She will also be their guests for New Year's day.

Home to be with their parents, Mr. and Mrs. Ludwig Thiel, were their daughter, Mr. and Mrs. Robert Whiteside and family from Zion, and their son, Mr. and Mrs. Gunter Thiel and family from Peoria.

Mr. and Mrs. Adolph Steen were guests of their son, Mr. and Mrs. William Steen and family in New Lenox. Sunday the Adolph Steens spent the day with his mother in Chicago.

Letters To The Editor

Sir:
More power to Vox Populi and a job well done in compiling the letter that appeared in the last issue of the Tinley Park Times, Letters to the Editor.

I only wish that a heck, a lot more of us sucker (so the big wheels seem to think we are) had kept all of the letters our Big Chief, and his Braves had sent out in the past. There seems to have been a lot of double talking coming out of the village hall. I had hoped with the election of some of the new trustees he would have some opposition, but it looks now like they also have been "brain washed" by Mr. Knudsen, who was hell bent on pushing the sewer program past the peoples objections, for what reasons?????

I hope in the next elections after Mr. Knudsen is defeated (he won't have a chance for reelection) we get men for trustees with minds of their own. While we are at it the police dept can also be looked into. Where do these boys keep themselves during all these robberies. I think it is time for a big change and shake up. They are Johnnie on the spot to shoot a dog but where are they during the wee hours of the night???

As long as our Mr. Knudsen likes to make proclamations why don't he declare one as follows: A week to fill in all empty foundation holes that are dangerous to children, like the one on 70th Ave between 171st and 172nd St. This empty hole which has a concrete foundation has been lying there for a few years. The party that owns this and about six lots besides that is not a resident of Tinley Park and I understand he is well off. Could that be the reason the hole is still open????? And to continue, who authorized a gas station to be built in the new shopping district at 167th and Oak Park, certainly not the planning commission, as I don't think they are that far gone.

Things are in bad state of affairs and I hope they can be cleared up in the near future, so keep your eyes open people and ask questions. Keep it up VOX POPULI and everyone else....

Give Gifts To Orphans Instead Of Exchanging

BY DELORES ANDERSON
New Lenox 3651

Instead of the usual Christmas gift exchange, members of St. Jude's Altar and Rosary society, brought gifts for the orphans of the Guardian Angel Home, to the pot luck Christmas party held Dec. 15. Gifts were also presented to the priests, Fr. Denis and Fr. Austin and to the six sisters at the school. During the program, prizes were awarded to Edna Cutler, Mary Greenman, Lillian Huttenhoff, Pat Merfeld, Irma Mlaker, Ruth Reiter, Dorothy Schubert, Irene Sullivan, Delores Wysock and Rita Yeager.

Miss Paulette and Wendell Anderson, daughter and son of Mr. and Mrs. F.T. Anderson, Wood St., spent the Christmas holidays in St. Petersburg, Fla., visiting with an aunt and uncle, Dr. and Mrs. LeRoy Black. They made the trip by train.

David Woodman is home for the holidays from Fresno State college at San Francisco, with his parents, Rev. and Mrs. Gilbert Woodman and family.

Miss Margaret Campbell entertained a few friends at a Christmas party in her home Wednesday afternoon. A gift exchange was enjoyed and refreshments were served. Guests were the Misses Arlene Otis, Evelyn Rowswell, and Dotte Jean Anderson.

Mr. and Mrs. Roy Pfeifer and children are spending the holidays in St. Petersburg, Fla., with his parents, Mr. and Mrs. Ernest Pfeifer who are spending the winter months there.

Mr. and Mrs. Harlow Jensen and sons entertained in their home at a family gathering and Christmas party last week. A dinner was served at 6 o'clock followed by an informal evening. Those attending were, Mr. and Mrs. Roy Pfeifer and family, Mr. and Mrs. Ernest Pfeifer, and Mr. and Mrs. Len Warning and family of New Lenox, Mr. and Mrs. Buton Breidert and son, and Mrs. Elizabeth Wischover of Frankfort, and Mr. and Mrs. Lloyd Bettenhausen and son of Peotone.

Rep. Bottino Enters Race For Congress

Louis F. Bottino, Rt. 2, Lockport state representative from the 37th District and Will county superintendent of schools from 1939-52, announces his candidacy for Representative in congress in the April 1960 primary.

Newsmen named Mr. Bottino one of the outstanding legislators in the 70th General Assembly. For contributions to community welfare he has been given the "Distinguished Service" and "Good Government" awards by the Joliet Junior Chamber of Commerce.

A life-long resident of the 15th Congressional District, Mr. Bottino was born in South Wilmington, Grundy County, Illinois. Married to the former Catherine Jongsma, the couple has one daughter, Ilse Marie. His parents, Charles and Lena (nee Haake) Bottino, are early residents of Coal City and Braidwood.

Mr. Bottino is a graduate of the elementary and high schools of South Wilmington and Gardner. He is also a graduate of Beloit college and Columbia university where he majored in economics, government, and school administration.

Prior to his election to the legislature, Mr. Bottino served as high school principal, teacher, and coach at Braidwood, Illinois for nine years, Will County superintendent of Schools for thirteen years, and superintendent of Lockport Township High School for four years.

In addition to his legislative work, Mr. Bottino is now serving as administrative assistant to the superintendent of the Joliet Public Schools.

A U.S. Marine Corps veteran of World War II, Mr. Bottino is past president of the Illinois County Superintendents' Association, the Northeastern Division of the Illinois Education Association, the Board of Directors of the Joliet Y.M.C.A., the Joliet and Braidwood Rotary Clubs, and the Phi Kappa Psi Fraternity at Beloit College.

Other organizations in which Mr. Bottino holds membership are the Will County Farm Bureau, John Olson Post, American Legion, Lockport Moose, Joliet Aerie Eagles, Old Timers' Baseball Association of Will County, and Rainbow Council, Boy Scouts of America.

Basketball fans will probably remember Mr. Bottino as the coach of the 1938 Braidwood High School team -- the first district team ever to reach the state finals. At Beloit College he was twice named to all-conference teams in basketball. He is also a former member of championship Will County Farm Bureau baseball teams.

Rainbow Council, Scouts, Promotes Dist. Officer

The promotion of Paul M. Tikalsky from district executive to field director, was announced today by John F. Ritter, scout executive of Rainbow council, Boy Scouts of America.

Effective Jan. 1, Tikalsky will assume his new duties and will work with all districts executives in Rainbow council in the extension of scouting and district administration.

A native of Manitowac, Wis., Tikalsky attended Fon Du Lac college, the University of Wisconsin and is a graduate of the national training school for scout executives.

The new field director entered professional Scouting in April, 1953. After serving three years as a district executive on the Appleton Wis., staff, he was transferred to Rainbow council in January 1956.

"Tikalsky has done an outstanding job as the Black Hawk District Executive and has certainly earned this promotion," Ritter said.

Rainbow council, which is composed of Grundy, Kankakee and Will counties, is a partner-member of the Community chest.

ST. JOSEPH MISSION church at Country Club Hills was completed in time for mass to be held there on Christmas eve and after the masses on Sunday visitors were welcomed and shown about the place. The building was erected by volunteer labor using materials that were purchased thru donations. The usual procedure followed in setting up a Roman Catholic church is for the bishop to designate a certain area as a parish to which he appoints a priest and the priest

Merrion Employees Hosts At Yule Party For Orphans

By Margot Bartnik-SY 8-7742
Angel Guardian orphanage at Devon and Damen in Chicago was the scene of much merry-making on Dec. 21 when employees of J.E. Merrion joined 500 orphan children to celebrate the approaching holiday season. Mr. Merrion provided not only gifts for each of the children, but also a special program.

Television stars performed; among them Lou Breeze who was master of ceremonies, and John Conrad, of "Elmer the Elephant." The children enjoyed their own refreshments after the show, while the adults were treated to a dinner by Mr. Merrion. A clothing drive for the orphans was conducted before the Christmas party, and many items donated.

United Christian Church
On Saturday, Jan. 2nd, the Rev. Wendell Pew will attend an Area Christian Youth Fellowship meeting at the Harvey church. Then following the Sunday activities, he will go to Indiana university to the Christian Education assembly which meets every other year to reconsider curriculum and the total program of Christian Education among churches of the denomination. The Rev. Pew is serving a four-year term as a delegate-at-large, and is one of the few who do not hold specific positions of responsibility in the national missionary organization, teaching in a seminary, or otherwise directly related to the work of Christian education. He expects to return on Jan. 8.

The Youth Fellowship will meet on Jan. 3rd, at the Charles Van Horn home at 5 p.m.

The meeting of the official board has been postponed until Jan. 11 due to a pending meeting with the board of church extension officers, the national church loan agency that will be helping the local congregation. Final arrangements for the loan to complete payment of \$10,280, to the Merrion Company have been worked out so that the Chicago Disciples Union and the church will finish negotiations during this coming month for the purchase of the land. A site of approximately three acres is being purchased by the church, directly west of the Willowview school property.

The nominating committee has been elected by the official board. Their job will be to replace Frank Miller who served both as elder and chairman of the board. Those on the committee are: Ray Hewling, chairman; Robert Brown, Mrs. E. H. Sonne, Harry Bostrom and Don Morrow. Suggestions from any in the congregation may be made to any one of these committee members. They plan to report to the meeting on Jan. 11. Hendrik Van Der Marel and Richard Bagwell plan to attend, on behalf of the church, an area evangelism meeting in the downtown YMCA on Jan. 6. Van Der Marel is the chairman of the membership department of the church.

ST. JOSEPH MISSION CHURCH

Midnight mass was conducted on Christmas eve in the new building, housing the Mission church of St. Joseph's. A record crowd was in attendance to witness this first mass in the new church. The Rev. Robert Loftus officiated, with altar boys Bill Schomburg, Bill Arvant, Michael Thyfault, and Jack Murray assisting. The mission choir, under the direction of Tom Quigley, sang Korman's Christmas Carol Mass. A manger scene was under a spotlight outdoors while the nativity was displayed indoors near the altar with another manger, complete with small statues, and straw. The altar was resplendent with flowers; the church was at last completed to welcome the anniversary of the coming of Christ. On Sunday, Dec. 27, an open house was held at the new church to allow friends and neighbors to view the work of the many volunteers who worked so steadily and hard during the past two months to meet the Christmas Eve deadline.

Many visitors commented upon the beauty of the altar which was built by a parishioner, James Cuculich, when he was not at work on the two jobs he has been holding. The altar is made of walnut and was designed by Leroy Busa, another resident of Country Club Hills. Tony Turek applied the finish coat. Several visitors from neighboring communities paid this humble building the honor of a visit during the open house, at which egg nog and cookies were served. Though the building presents a humble impression to those viewing it for the first time, to all those connected with its origin and building, it is almost a cathedral. Mass was said at 9 a.m. and 11 a.m. on Sunday, Dec. 27, and will continue to be said at these times until further notice. The choir was able to sing at Sunday mass thanks to the generosity of Mr. and Mrs. John Thomas who loaned their portable organ for the day. Future of the choir is indefinite, since their director, Tom Quigley, is leaving shortly for Omaha, Neb. to take a new position.

VOLUNTEER POLICE
On Saturday, Dec. 26, the first volunteer police were sworn in by City Clerk Virginia Bennisson at the city hall. Present to make suitable remarks to the men were Chief John Marts and Mayor James Nally. The men were in uniform for the occasion. They are: Roger G. Harris, Robert Arbutnot, Frank Lullo, Ronald Stelter, John McGrath, Joseph Burroughs, James Lanigan, Ronald Bock, Robert Roberts, and Glenn Ohlson. Pistol practice was scheduled for Sunday afternoon.

BOY SCOUTS
A Klondike derby will be held on Jan. 16 at Sullivan's Woods, 147th and Cicero, beginning at 9 a.m. and continuing thru the day. Boys have been building their own sledges and will compete with boys from Pokagon Trail Council. On Jan. 28 a family dinner is planned, for boy scouts and their parents. Special event of the

starts the ball rolling to build a church. In most instances he has to rent quarters in which to hold services until the money can be obtained to start a church and then there is of course the time consumed in the building. At Country Club Hills Catholic families decided to go ahead and build a church. Now they are waiting for the bishop to set up a parish and appoint a pastor. The church is all ready. (Marvin Smith Photo)

evening will be a Court of Honor when boys who have earned Merit Badges and advancements in rank will be honored.

CHRISTMAS CONCERT
A concert by the adult choir and the caroler's choir of the United Christian church was beautifully rendered on Tuesday evening, Dec. 22 at the Willowview school. Due to illness, Mrs. Wendell Pew was unable to direct so Rev. Pew took over the Adult Choir and Mrs. Glenn McKenzie directed the Carolers' choir. The program was taped and later heard back at the home of Mr. and Mrs. Charles White after the concert, where choir members enjoyed refreshments and a social.

JUNIOR TEENS
The first meeting of the year for the Junior Teens will take place on January 15th at Willowview school from 7 p.m. until 9:30 p.m.

WOMEN'S CLUB
First meeting of the new year for the Women's Club will be held at Willowview on January 6th, when Installation of Officers shall take place. New members are welcome.

AUTO ACCIDENT
A near-tragic accident on 183rd st. near Baker resulted in considerable damage to the automobile of John Larmon's brother, Robert Larmon, of Homewood. The accident occurred on Sunday morning and luckily no one was injured. The other car involved landed right side up in the deep ditch alongside 183rd st.

On Second Tho't

by Glenn F. Logan
In a more leisurely period in these United States New Year's calls were quite the thing.

There are still folks who follow the custom but the day affairs are not as elaborate as they were once. Watch parties appear to be more popular but more and more of them are being held in homes. Perhaps the cost of public celebrating has something to do with it or perhaps home parties are more peaceful and less noisy.

People probably still make resolutions on New Year's day but one doesn't hear so much about them anymore.

The Chinese start their new year by paying off all debts of the old year. This is a fine custom but the Chinese have an edge on the rest of us by starting their year a couple of months later. Coming a week after Christmas as does our New Year makes it quite a problem for one to start it free of debt.

Happy New Year To All Of You

Tomorrow a new decade, as well as a new year begins.

It is difficult to predict what may happen in a year. As for attempting to foretell what the next ten years will bring we will leave to those who adopt in operating a crystal ball or the writers of science fiction.

The achievements of the past decade convinces us nothing is impossible. The only thing one can do is live each day as it comes and keep an open mind. And while it is a good thing to live in the present one cannot divorce the past. It is only thru experience and the study of things that have happened that man gains wisdom.

An old race track bookmaker once summed it up pretty well -- all people come to the same conclusion thru the same source, past performances.

The past decade has been a strange mixture of fear, courage, hot and cold wars, great advances in science, prosperity, want, the dawn of the space age and bitter dispute between labor and management involving automation.

The word automation is new but the principle is old. Two centuries ago it was automation that brought on the industrial revolution -- the use of machines to do work formerly done by hand. Then, as now, workers fearing the loss of jobs, fought tooth and nail against this industrial change.

Economics point out that automation has helped to swell employment rather than to reduce it and claim that according to the evidence unless there be more automation there will be fewer jobs.

America has been known as the greatest productive center of the world but much of that production has gone into world markets. Now our exports are going down and our imports are rising. Foreign competition is pricing us out of the market.

Steel for instance -- and this is given as an example because steel is very prominent in the news today -- presents a case in point. Two years ago we exported some 522,000 tons. This had declined to 166,000 tons in May 1959. On the other hand we imported 385,000 tons of steel in 1959 as compared to 89,000 tons two years ago.

High wages here are the primary reason foreign producers can under-price us. Our only recourse, according to the experts, is to reduce production costs by using every device and technique possible.

The Wall Street Journal says that history shows "The result of labor-saving devices has always been more, not fewer, opportunities for labor."

The problem is to produce more for less with a minimum of dislocation of labor. Students believe this can be accomplished thru labor-management cooperation in training displaced workers for other jobs and assisting them in other ways.

The big source of dispute between labor and management in the steel strike has not been wages but automation as it may affect work rules, it is called.

1960 should be a good year. The steel strike should be settled -- strikes always are -- and it is to be hoped that the railroads and their workers will adjust their differences. Automation is reported to be the stumbling block there also.

The trip around the world recently completed by President Eisenhower should make it easier to keep the peace and the prospective summit talks are expected to hold down threats of war.

Courage and determination and hard work will be necessary to meet the problems of 1960 and the decade.

And another thing -- always remember that we never get anything for nothing.

Mr. and Mrs. Lester Heisner called on the following relatives

According to the World Book gifts are exchanged in many European countries on New Year's day. In Scotland New Year's is more of an occasion for celebration than Christmas.

"First-footing" is a custom of long standing among the Scots. It is considered bad luck in Scotland if the first person to set foot in a house on New Year's day is a woman, a sexton, a pigeon toed person or a man with blond or red hair.

To combat this risk some arrange to have a tall, dark haired man serve as a "first footer." Callers also are expected to bring a little something with them.

The custom of exchanging gifts on New Year's day is said to go back to 747 B.C. when the Romans reportedly presented the King of the Sabines with branches of bay and palm trees consecrated to Strenia, the goddess of strength. As time passed the gifts became more elaborate, the givers expect-

ing royal favors in return and the emperors came to expect them. The World Book says that Augustus Caesar put out hints-- he put out the word that he had a vision in which he saw himself as the recipient of many gifts from the senators and the people.

It is possible that the old axiom, "a word to the wise is sufficient" ... stemmed from that occasion.

A similar custom was introduced into England by the third Henry and Elizabeth I is said to have done quite well with it. Oliver Cromwell put an end to it.

We have had officials in this country, if memory serves me, that have accepted gifts but they did not necessarily confine it to New Year's.

And now from all of us to all of you, a most joyous and fruitful 1960.
